

Balancing Redox Equations

P. 749 #34 (a)

P. 739 #27 (a)

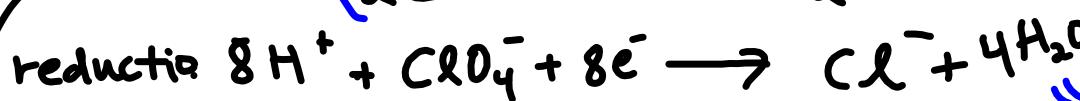

Balance Redox Equations

Using Half-Reactions.

- * Usually for net ionic equations
- * Acidic or basic solutions

Example 1 - Acidic solution

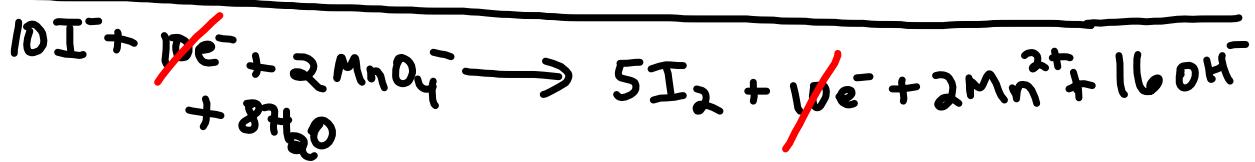

Check by inspection

p.738 #25, 27

"play" with H^+
x H_2O

Balance a Redox Equation (Basic)

Example-

Text questions
 p.738 #25, 27, 28
 p.749 #35, 36
